

Medication Policy
Brockway Area School District

If your child requires medication on a daily or as needed basis,
please bring all medications in original containers.

Parents/Guardians are responsible for **delivering** ALL medications
to school to the nurse.

Please do not send in medication with your child.

Prescription medication needs to be in a **labeled** container with the
original pharmacy label. **All medications** kept at school require a
doctor's order/ parent permission form. The nurse cannot
administer medication to your child without this form completed.

We, the administration and nursing staff at Brockway Area School
District, take medications very seriously and we want to assure that
your child is safe and properly cared for at school. It is our job to be
sure that medications are properly maintained, secured, and
properly distributed. Thank you for your cooperation and assistance
in this matter.
