

NOVEMBER 18

SAVE THE DATE

In 2018, we hosted a “Making the Cut” assembly. Students, parents, and community members gathered together to make a bundle of donations for this great purpose! We have hair stylists here ready to even things out and send you home with a new cut! You can also plan with your own stylist and finish things up after that big day! Here are the requirements from the donation family we will be using, *Children with Hair Loss*. If you have somewhere else you’d like to send your donation, that’s wonderful! You can handle that with your donation and still be a part of this big event! *8 inches is the minimum but requests from recipients for longer hair is greatly appreciated. If you can’t be here that day and would like to donate, that’s still possible!

Donation Requirements

Gray hair is accepted!

Non-chemically treated hair is preferred but any hair in good condition will be accepted!

Hair must be clean and dry, ponytailed or braided

Donate Your Hair. But Wait!

Before we continue, can you spare more hair? Children with hair loss greatly appreciates all hair donations that are a minimum of 8" however, we have many requests from recipients for longer hair replacements that require hair donations of 12" or longer. If you can grow your hair a bit longer before donating, it will help us most in our mission!

I am interested in participating in the second annual “Ponytail Drive” at Brockway School District. All donations will be sent to the hair donation center, Children with Hair Loss.

Please complete this form neatly, print and send it back to your **homeroom teacher**. Parent signature is required to pledge your donation for our pony drive. (If in November you are having second thoughts, you can decline at that time)

Name: _____ Grade: _____

Parent Signature: _____ Date: _____

Parent Cell Phone Number: _____

We will be contacting you with more details about this event (Nov. 18). We will have this event during school. A team of hairdressers will be here to help style hair for those people who have donated ponytails. (If you have one in mind, let us know and we will call them to get them on board with this great event!)
