

# Help Make a Difference WITH ONE HAIR CUT

Join Us **May 11, 2020**

"Making The Cut" Donation Coming Soon to Brockway!

What: Ponytail donation

We will have five organizations for you to pick from to donate your hair.

Who: Anyone can donate their hair, minimum of 8 inches.

More than half of all Americans donate clothing, food or other personal items. In recent years, over \$390 billion was donated to charitable organizations, and nearly seven million people gave blood. When it comes to "traditional" forms of giving, we seem to have it down.

However, what about other forms of donation that we do not often consider?

Hair donation is an often-overlooked form of donation that requires more research than locating your nearest donation box. However, it is also a donation that could make a huge difference for women and children with cancer, medical conditions, or trauma resulting in hair loss.

## May 11, 2020

I am interested in participating in the second annual "Pony Drive" at Brockway School District. All donations will be sent to a program of your choice to help make wigs for people who are going through a tough time in their lives.

Please complete this form neatly, print and send it back to your **homeroom teacher**. Parent signature is required to pledge your donation for our pony drive. (If in May you are having second thoughts, you can decline at that time)

We will be contacting you with more details about this event (May 11). We will have this event during school. A team of hairdressers will be here to help style hair for those people who have donated ponytails. (If you have one in mind, let us know and we will call them to get them on board with this great event!)
