**"Have Fun in the Sun"**  
**With the Brockway Elementary Summer Reading Program**

Beginning June 6<sup>st</sup> through August 6<sup>th</sup>, 2016, the Brockway Elementary School will be having their summer reading program. Students will be able to improve their reading skills using a variety of genres, and participate in activities that relate to each story.

Don't think that you will be just sitting around and reading the entire time. We will have you outside, making and flying kites, biking Rails to Trails, tie dyeing t-shirts, and so much more! Last year was our 1<sup>st</sup> summer of having the program, and the kids that attended had a great time. We have taken your feedback from our survey and made accommodations that we hope will improve our program. Our 9 week program will allow siblings to be here at the same day and time, older students will be able to pick their reading material for the week, and goals will be set to qualify for the ULTIMATE ACTIVITY on Friday.

Just fill out the information below and return it to your homeroom teacher by Monday May 16<sup>th</sup>, 2016. If you have any questions, please feel free to call the school. Talk to your friends and make plans to "Have Fun in the Sun" at the Brockway Elementary Summer Reading Program. Can't wait to see you there!

(Further details will be sent home after we review all that respond to this initial invitation)
