#### PREFACE

To help you as a student at Brockway Area Jr.-Sr. High School, this handbook has been prepared for you and your parents. Reading this handbook will provide basic information about the school and its operation which are of concern to you as students and parents. The handbook provides an understanding of the general rules and guidelines for attending and receiving an education in our schools.

In case of conflict between a Board Policy and the provisions of this handbook, the Board Policy most recently adopted by the Board will prevail.

The High School is operated on the philosophy that you are the paramount consideration and that helping a teenager to grow and develop physically, mentally, and socially is a cooperative undertaking of the school and the home.

It is the duty and the responsibility of the school to help you enjoy progress and success in your growth and development. It is the duty and responsibility of the parents to assist the school in this undertaking.

Students and parents/guardians should be aware that this document is reviewed annually since policy adoption and revision is an ongoing process. These changes will generally supersede the provisions found in the handbook, which will become obsolete by the newly adopted policy. The handbook is not a contract between the school and parents/guardians or students. It can be amended at any time at the discretion of the district. If policy changes are enacted during the school year, the administration will communicate those changes to students, staff and parents/guardians.

### **STUDENT/PARENT HANDBOOK**

The Student/Parent Handbook is published annually by the administration. It is a reference book for current students and parents and a means of acquainting new students with rules and regulations governing the operation of the Brockway Area Junior-Senior High School as well as its activities and other pertinent information.

### MESSAGE FROM THE ADMINISTRATION

Life at Brockway Area Junior-Senior High School becomes a permanent part of the lives of all who "pass this way" and pause for a few years. The persons who have been a part of the student body in the past can be proud of the regulations that have assured order and systematic operations necessary to make an efficient team-like body. Student leadership each year is orderly. Student cooperation with faculty leaders is good. When this situation exists, it is a combination that is hard to beat. Each student doing their best every day means Brockway Area Junior-Senior High School will achieve its ultimate purpose as individual students develop self-pride and self-discipline which form the basis for all worthwhile education and a mature adulthood.

May each year for all students be happy and successful, and may the beginning of each school term find every student with an expanding knowledge, exceptional health and a burning desire to learn. Make the effort to get involved in school life by joining a club, organization or athletic team. Your high school experience will be much more enjoyable if you do.

This handbook is also written for your parents so that they can better understand what having a son or daughter at Brockway Area Junior-Senior High School involves. Please share the information in this handbook with your parent(s) and do not hesitate to ask for their help in understanding anything you read in it.

The U.S. Department of Agriculture (USDA) prohibits discrimination in all its programs and activities on the basis of race, color, national origin, gender, religion or disability. Persons with disabilities who require alternative means for communication of program information (Braille, large print, audiotape, etc.) should contact USDA's TARGET Center at (202) 720-2600 (voice and TDD).

# ORIGIN OF SCHOOL COLORS, MASCOT, AND YEARBOOK

Mascot......Rover Dog As a cub reporter for the Brockway Record, Mr. Biss once referred to the Brockway teams as rovers, since they had no home court and

played all their games on the road.

Yearbook......The Dawn The first edition of the DAWN was printed for the class of 1946. Through a yearbook naming contest, the name DAWN was selected as our title to symbolize the beginning or "dawn" of adulthood. Students "graduate" from childhood to adulthood and begin their lives anew.

# SCHOOL PERSONNEL

### HIGHLY QUALIFIED PROFESSIONALS

Did you know that according to the United States Department of Education, our staff is classified as being composed of "Highly Qualified" professional teachers and paraprofessionals? You may, at any time, request information regarding the professional qualifications of your child's teacher and/or the paraprofessionals who provide instructional services to your children. You may request this information by contacting the business office at (814) 265-8411.

# **RESPECT OF STAFF**

It is expected that every staff member will be treated with respect and dignity both in and out of school just as the students receive the respect of the staff. Staff is responsible for supervision of students anywhere on school property and at school sponsored activities. There is no division of authority among the faculty of Brockway Area Junior-Senior High School. All teachers are authorized to reprimand or correct misbehaving students at any time or at any place during the school day.

### **PRINCIPAL'S OFFICE**

The principals are available to be consulted from 7:30 a.m. to 3:30 p.m. by making an appointment with the secretary. They should be consulted on matters of importance regarding class and activity affairs, items of school business needing official permission, and other matters concerning the effective overall operation of the high school and individual student involvement. Students are welcome to meet or visit with the principals any time.

# **ACADEMICS**

#### **COURSES OF STUDY**

The curriculum offered is based on Pennsylvania Department of Education Chapter 4 regulations incorporating local determinations of student need. **Students in grade 8** will have the opportunity to apply for admission to Jefferson County-DuBois AVTS (Jeff Tech). Students will be accepted for varied four-year programs. While attending Brockway Jr/Sr HS, **students in grade 9** will have a choice of two programs of study: College Preparatory or Academic/Technical Preparatory.

# CURRICULUM REVIEW BY PARENTS/GUARDIANS AND STUDENTS

Board Policy 105.1 ensures that parents/guardians have an opportunity to review instructional materials and have information about the curriculum, including academic standards to be achieved, instructional materials and assessment techniques.

The complete guidelines regarding Policy number 105.1 are available upon request to the high school administration.

#### **CLASS DROP**

You may withdraw from a course without penalty or notation on the permanent record card no later than the eighth scheduled day of the current academic year. Those who withdraw after the eighth day, but prior to the forty-sixth day of school, shall have notated on their permanent record card a W. If you withdraw, for other than legitimate purposes as determined by the administrative staff, after the beginning of the second nine weeks grading period, you will receive a 50% for the course. Any changes made after the first 45 days of school must have administrative approval.

### **REPORT OF STUDENT PROGRESS TO PARENTS**

Report Cards will be issued approximately one week following the end of each nine-weeks grading period. If a parent does not have access to the FOCUS Parent Portal, they may request a report from the guidance department. Appointments for parent-faculty conferences can be arranged at the request of either interested party, through the guidance department. At the midpoint of each 9 weeks, student progress reports will be sent via email to each parent or guardian.

#### **GRADING SYSTEM**

The grading system is based on a scale of 0 - 100. Any grade below 70 is not a passing grade. The first two nine week marking periods, no grade below 65 will be given. During the third nine week marking period, no grade below 60 will be given. The fourth nine week's grade may be the actual grade earned in class. Four nine week grades and a final grade will be given. The final average grades will be used to determine promotion or graduation status and student eligibility for participation in extracurricular activities to begin the following school term. In a semester course, no grade below 65 will be given during the first 9 weeks of the course.

The numerical grading system may be converted to letter grades based on the following grouping:

A	93% - 100%
B	86% - 92%
С	77% - 85%
D	70%-76%
F	Below 70%

### HONOR ROLL AND HONOR STANDING ROLL

An honor roll and honor standing roll will be issued at the end of each grading period. To make the honor roll, your grade point average must be 93 or above with no grade lower than 86. To make the honor standing roll, your grade point average must be 86 or above with no grade lower than 77.

In grades 7 and 8, all classes will be counted equally in determining your grade point average.

The number of periods a class meets and whether or not it's a weighted course is considered when calculating grade point averages in grades 9-12.

#### **BROCKWAY'S A+TEAM**

To increase the awareness of academic excellence for students in grade 7 through 12, Brockway's A+Team was established in partnership with Brockway Area Kaimanns. If you attain honor roll or honor standing status, you will be recognized throughout the school year. If you obtain honor roll status 3 times per year for any 2 years during grades 9-12, you will earn an academic jacket.

#### **CLASS RANK**

Class rank is determined by grade point average, for students in grades 9 through 12. There is one class rank listing per grade including all students in that grade regardless of their course of study.

Class rank will be computed by the final grade in all subjects. AP courses will be weighted at 1.10, along with all college equivalent/dual enrollment courses. Our AP course offerings include: AP Calculus AB, AP Calculus BC, AP Statistics, AP Chemistry, AP Physics, AP Biology, AP Government, AP US History, AP English. Honors courses will be weighted at 1.04 and include the following: Honors Algebra II, Honors Physics, Honors Biology, Honors Biology II/Anatomy, Honors Organic Chemistry, Honors Chemistry, Honors German III, Honors German IV, Honors Spanish III, and Honors Spanish IV. All other courses use 1.00 when determining class rank.

Any two or more students whose computed grade point averages are identical shall be given the same rank. The rank of the student who immediately follows a tied position will be determined by the number of students preceding him/her and not by the rank of the person preceding him/her.

#### ELIGIBILITY

Students participating in or belonging to extracurriculars whose activities occur completely or partially outside of the school curriculum fall under Eligibility Guidelines. To be eligible for extracurricular participation, a student may not be failing more than one course that meets five days a week from a minimum of five required major subjects. A list of students currently participating in all extracurriculars will be distributed periodically to all teachers. At the end of each week, names of extracurricular participants who are not passing will be reported to the office. Eligibility will be run on a weekly basis each Thursday afternoon at 3:30 p.m. unless in the event of a holiday or school cancellation. A student's grade for extracurricular eligibility purposes is determined in the regular fashion; it is cumulative from the beginning of the grading period. A student who is determined to be academically ineligible will not be able to compete for a minimum of a week. During the one-week, the student may still practice or take part in scrimmages in the activity, but not travel with the team to away events. In cases when a student's cumulative work from the beginning of the grading period does not as of any Friday meet the standards provided for, he or she shall be ineligible from the immediately following **Sunday** through the next following **Saturday**.

If after one week the student does not meet the eligibility requirements, he/she cannot participate in the activity in any way whatsoever until the next Friday eligibility report confirms a cumulative passing grade is attained. Participation may resume at the beginning of the next eligibility period. Four consecutive weeks of ineligibility will result in removal from the team.

If a student is failing more than one course that meets five days a week in his major subjects at the end of a nine week grading period, he will be ineligible for at least 15 school days of the next grading period, beginning on the day report cards are issued. At the end of the 15 school days, the student's eligibility will revert to being determined on a cumulative basis for the remainder of the grading period. During this period of ineligibility, the student is not permitted to play, practice, or travel with the team or participate in the activity in any way whatsoever.

At the end of the school year, the final average grade determines eligibility for the next year. If a student is failing more than one credit in his major subjects on his final report card, he will be ineligible for the first 15 school days of the coming year.

A pupil who has been absent from school during a semester for a total of 20 or more school days, shall not be eligible to participate in any athletic contest until he has been in attendance for a total of 60 school days following his 20th day of absence, except that where there is a consecutive absence of 5 or more school days, due to confining illness, injury or death in the immediate family.

#### ACADEMIC INTEGRITY

The Brockway Area Junior-Senior High School is committed to encouraging strict standards of academic integrity and to helping students develop intellectually, creatively and ethically. Honesty in all schoolwork is considered essential in adhering to the standards. Cheating and plagiarism are both forms of academic dishonesty and will not be tolerated as acceptable behaviors. Cell phones and other electronic devices are subject to inclusion in this policy.

Cheating is defined as the submission of work that is not one's own. Plagiarism is the use of another person's ideas or words without giving proper credit. Both cheating and plagiarism are serious offenses. Those students who violate the school's standards for academic integrity will be subject to consequences, which may include no credit for the assigned work, letter to parent/guardian, possible ineligibility for extra-curriculars, and possible failure of the subject for the year. The complete policy regarding academic integrity may be found on the district website under school policies.

# **DUAL ENROLLMENT OPPORTUNITIES**

Senior high students have the opportunity to enroll in college courses while in high school. There are several ways to complete the courses, including on-line, on-campus, or through classes offered at the school, either during the regularly scheduled school day or after hours. Students interested in learning more about the current partnerships with colleges and universities and enrollment procedures should contact the senior high counselor.

### **CYBER ACADEMY**

Students have the opportunity to complete their academic requirements through the district's Cyber Academy. Students enrolled in the cyber program are expected to complete all on and off-line assignments and to comply with the requirements outlined in the cyber academy contract. Students may attend the Cyber Academy full time or part time. A "blended" schedule of cyber classes is possible. Students and parents interested in learning more about the Cyber Academy should contact a school counselor or administrator.

# AG ADMISSIONS POLICY

In the event that Ag classes are at capacity (as determined by the administration, teachers, and OAC) students who are on track to complete the program will have preference when signing up for Ag classes. Students will then be accepted on a first come, first service basis until the class is filled.

# AG ARTICULATION AGREEMENT

The Brockway Area School Agricultural Education class has an articulation agreement with BC3 that if the Ag Production Operations Program classes are successfully completed, students can receive college credit contingent upon the following:

Students must earn the grade of an A or B to be eligible to apply for and receive BC3 credit.

Students will receive credit on their BC3 transcripts after successful completion of 12 college-level credits at BC3.

To receive credit for BC3's BIOL 103 – Environmental Biology course, students also need to achieve an advanced score on the Agricultural Productions Operations PA NOCTI exam and submit scores to the Records and Registration Office.

Your child will have an opportunity to discuss curriculum choices in a group meeting with a School Counselor. Any questions should be directed to the appropriate member of the guidance department at 814-265-8414.

### **SCHOOL WORK HABITS**

It is important that daily assignments be prepared satisfactorily. This is a good study habit and assures continuity in the material being studied. It is your responsibility if you have been absent from class, including tardies to school and early dismissals, to contact the teacher to make arrangements for covering the work missed. This should be done immediately after returning to class. Study halls should be used to complete assignments, make-up tests/quizzes, and meet with advisors. Use your time wisely.

# HOMEWORK ASSIGNMENTS DURING ABSENCE

If you are absent for three or more consecutive days, homework assignments are available through each teacher's Google Classroom. Teachers will use Google Classroom each day to post assignments and/or communicate what objectives were taught in that day's lesson. If you are truant, cut class, leave school without permission, or your absence is classified as "UNEXCUSED" you may receive a "0" for assignments, projects, quizzes, tests, etc...missed.

#### **INCOMPLETE GRADES**

<u>Incompletes will be issued only in unusual cases such as an extended</u> <u>absence for medical reasons</u>. You are expected to complete the course requirements for the marking period within ten school days of the end of the marking period unless an extension is granted by a principal. An incomplete is not a grade, but an indication that certain class requirements have not been completed due to extenuating circumstances.

### MAKE-UP COURSE WORK AND REMEDIATION

Students are permitted to complete make-up work to serve as enrichment too, or to remedy deficiencies from previously-taken courses.

The following guidelines apply:

- 1. Deficiencies in subject areas may be made up in summer school.
- 2. All summer make-up work must have <u>prior</u> approval of the appropriate counselor as well as a building administrator. No credit will be given without this approval. Students will have the opportunity to complete summer make-up work using the district's cyber program, EDMENTUM. It is the responsibility of the student and parent/guardian to complete all applications, arrange for transportation and pay all fees. To be eligible to complete summer make-up work, the student must be enrolled in the Brockway Area School District or Jeff Tech for the prior year.
- 3. A summer school grade, taken as make-up work for a failed class with under a 65%, will be averaged along with all four quarters of the yearly course.
- 4. Students not scoring proficient or advanced on the Keystone exams in Algebra 1, Biology and/or Literature will not be required to remediate the areas of deficiencies. Students not reaching proficiency on the Keystone Exams will be required to complete one of the other four alternative pathways for high school graduation according to Act 158. Further information may

be found on the District website under Pathways and Graduation information.

# STUDENT AWARDS

Each spring, students who have contributed to the enrichment and growth of the school during the term are recognized through awards given in curricular and extracurricular areas. Many of these awards are given in student assemblies. Others are presented at end-of-year activities sponsored by or for the school organizations. Awards are also given to recognize annual and cumulative achievement on the part of individual students.

# **COMMENCEMENT CEREMONY**

The date for graduation ceremonies is established by the Board of School Directors at one of their spring meetings. As a convenience to students, items associated with senior graduation are available for purchase during scheduled lunch periods. These items include caps and gowns, as well as announcements and other items significant to seniors. The purchase of all other items, including announcements, is voluntary and may be purchased from the supplier of choice.

# **ATTENDANCE**

# ABSENCES AND EXCUSES

When you are absent from school, your parents or guardian should call the school at (814) 265-8414 between 7:30 a.m. and 8:30 a.m. and report the reason for your absence. It is your responsibility, upon returning, to present a written note with the reason for the absence (signed by a parent or guardian) to the excuse box in the main office. Absences will be treated as unlawful until the district receives a written excuse explaining the absence within three (3) days after the student returns to school from the absence. Any absences not meeting the requirement shall be classified as unexcused absences. You must be in attendance for at least 5 periods to be counted as present for the day.

#### According to PA School Code:

Students are required to attend school every day except for:

- Illness of the student
- Death in the immediate family

- Court Appearance
- Impassable roads
- Inclement weather (school is canceled)
- Excused upon a farm or domestic service emergency permit
- Religious holidays
- Exceptionally urgent reasons that affect the child directly (does not include work at home)

The above items are regarded as excused absences. All others are considered unexcused absences.

Some examples of unexcused absences are:

- Truancy
- No written excuse submitted within the three day period
- No medical excuse filed when one is required
- Student is illegally employed

Unexcused absences are also unlawful absences of children of compulsory school age except for:

- Family vacation trips which are approved by the principal and arranged in advance with the teachers (see website for form)
- Organized group events (must be arranged in advance)
- Suspension from school

The student and parent may request a prearranged absence through one of the principals. This should be done at least five school days in advance by submitting a written note from a parent or guardian. Teachers must be contacted before the student leaves regarding assignments. Students may not participate in extracurricular activities on days they are absent. No student who reports to school after the end of 4th period or is dismissed prior to 6th period is eligible for extra-curricular participation that day or evening unless he has permission from the high school administration.

# TARDY TO SCHOOL

You are expected to be in your 1st Period Class by 7:42 a.m. If you are not in your classroom when the tardy bell rings, you are considered late and must report to the main office. Students reporting to school after 7:42 a.m. must use the main entrance. All other doors will be locked and neither staff nor students are to open secured doors. If the reason for being tardy was a doctor's appointment, submission of a doctor's excuse or appointment card will mean the tardy will be marked "doctors excused". After 3 "non-doctor" tardies per quarter, you will be referred to a principal. This may result in a parent conference, telephone call, detention or possible suspension.

# TARDY TO CLASS

You will be considered tardy to class if you are not in your classroom when the tardy bell rings. If you have a legitimate pass from another teacher, counselor, nurse, or principal, there is no tardy situation. Students who are chronically tardy will be assigned detention. Students late to class will be required to sign in using the classroom tardy sheet.

# EARLY DISMISSAL

An early dismissal from the regular school day is a privilege granted under certain circumstances.

#### Reasons for granting an early dismissal may include:

Medical or dental appointment Religious observations Illness Death in the family Approved Work Study Programs Court Proceedings Educational Travel Emergency School Events

#### Some reasons an early dismissal will <u>not</u> be granted include:

Tired	
Going Shopping	
Work at Home	

Report to Work Early Baby-sitting

Permission should be requested the day of the early dismissal. Early dismissal permits are taken in a designated area before 7:36 a.m. The following information is necessary:

- Name of Student (First and Last name)
- Reason
- Time of Dismissal
- Phone number at which a parent <u>can be contacted in order to</u> <u>verify request</u>
- Parent/Guardian Signature

The fact that a parent has requested an early dismissal does not mean the school can automatically dismiss a student. Early dismissals may be denied or classified as unexcused if parental permission cannot be confirmed or an appointment card is not presented as confirmation following the student's return to school.

Students are to report to the office and **sign out** before leaving the building. Upon return from a doctor or dentist appointment students should

report to the Main Office where you will be given a Hall Pass to be readmitted to class. Failure to report to the office immediately when reentering the building will be considered a violation of school policy.

#### POST HIGH SCHOOL VISITATIONS

You are encouraged to explore after graduation alternatives by gathering as much information as possible about Post-High School Institutions. A visit to the institution that you are seriously considering attending is one of the most valuable means of gathering the data necessary to make an informed decision about your post-high school plans. Students are permitted, with prior administrative approval, to make three college visits per year and/or complete three job shadows per year.

"Post-High School Visitation Forms" may be obtained from the high school counselor or on the high school website under student resource. This form must be completed and returned to the main office by any student requesting to be excused from school to make a visitation to a post-high school institution.

#### **DOCTOR EXCUSES**

If you miss a total of ten (10) or more school days due to sickness, you will be required to provide a doctor's excuse for such absence thereafter. If a doctor's excuse is not provided, the day or days may be marked as unexcused/illegal absences. Students who are on required doctor's excuses may be given zeros for the class periods and work missed for all subsequent unexcused tardies and/or absences.

#### **EXCESSIVE ABSENTEEISM**

In certain situations, if you are excessively absent or do not comply with the school's attendance policies, you may be dropped from the school rolls or face expulsion. If you are of compulsory school age and are excessively absent, you may be referred to Children and Youth Services or the District Magistrate. A School Attendance Improvement Conference will be scheduled after four (4) unlawful absences.

#### WITHDRAWALS FROM SCHOOL

If you withdraw from the district before the end of the school term, notify the school several weeks prior to the actual moving date, if possible. Contact the Guidance Office two or three days before the date of withdrawal to obtain a Withdrawal Form. Circulate the Withdrawal Form to your teachers to obtain grades; at the same time return all books and supplies to your teachers and pay any outstanding fees which are due. Hall lockers and gym lockers must be cleaned. Advise your counselor of the new district you will be attending. This will allow the counselors to prepare the necessary transfer and release of your records and papers. You should also arrange to take with you a record of your immunization status for presentation to the receiving school at the time of enrollment.

# **ATHLETICS**

#### ATHLETICS

Interscholastic athletic teams on various levels from junior high to varsity represent the school in baseball, basketball, football, golf, soccer, softball, tennis, volleyball, wrestling, track and field, and x-country. # **ATHLETIC PRACTICES**

All practices that are hosted on Brockway School District property are considered closed practices. All coaches have to be board approved by the beginning of the season to help participate in the sport that is taking place.

# **COLLEGE BOUND STUDENT ATHLETES**

If you plan to compete athletically at the college level, start asking questions. Find out if you're on track to meet academic eligibility and core-course requirements. See what the graduation rate of the athletics programs and the athletes in your sport are at the colleges in which you are interested. Ask what academic support services are available and how academic progress is tracked.

If you are focusing on which college can lead to a career in the pros, consider that: There are nearly 1 million high-school football players and

about 550,000 basketball players. Of that number, about 250 make it to the NFL and about 50 make an NBA team.

Take a hard look at those numbers and think about what will matter in the long run -a college education.

The National College Athletic Association publishes a guide that is intended to help you and your family understand the rules of the NCAA. You can get a free copy of the guide by calling 1-800-638-3731. Any student athlete planning to pursue athletics on the collegiate level must sign a National Letter of Intent. If you have any questions about the NCAA college eligibility requirements, see the senior high guidance counselor for details or visit <u>www.national-letter.org</u>.

# ATHLETE'S ILLEGAL ABSENCES

As a member of one of Brockway's teams, you are expected to maintain your attendance. You cannot attend practice on any day you are absent from school. Unless a doctor's note is provided, you will be ineligible to participate in the next most immediate contest following your absence if it is:

- 1. The day of the game.
- 2. Determined to be unexcused for any part of the day before an athletic event.
- 3. Unexcused for any part of the day of an athletic event.

The administration reserves the right to limit athletic participation for any athlete who is 1) Tardy the day of an athletic event, and 2) Absent or tardy the day following the athletic event.

\*No student who reports to school after the end of the 4th period or is dismissed prior to 6th period is eligible for extracurricular participation that day or evening unless he has permission from the high school administration.

# SEASON ATHLETIC PASSES

In order to enjoy the extra advantage of school athletic events, it is possible for adults to buy season athletic passes at a substantial savings. These passes are not transferable. Possessing a season athletic pass entitles the holder admission to home athletic events. All Brockway students are admitted to all athletic events at no cost.

### CHEERLEADING

Varsity, junior varsity, and junior high cheerleading squads are chosen by tryouts in the spring for the following school year. Cheerleaders cheer at selected sporting events during the fall and winter sports seasons. The local chapter will ask each student to write an essay describing their Character, Service and Leadership. The Faculty Council will score the essays. The Faculty Council will also ask the students' teachers, both present and from the previous year, to complete a questionnaire to further assess Character, Service and Leadership.

Students who receive a majority vote from the Faculty Council will be invited to become a member. They will receive a written contract that outlines their membership obligations. Students who sign and return the contract will be inducted into the NHS. (The Faculty Council will not use race, gender, or religion as a basis for selection.)

All electronic devices will be placed in a designated bin during the testing period.

Cellular telephones that have the capability to take photographs or to record audio or video shall not be used for such purposes while on district property or while a student is engaged in school sponsored activities, unless expressly authorized in advance by the building principal or designee. No Text Messaging, using Facebook, Snapchat, Instagram, etc. is permitted. The cell phone is not to be used as a watch to check the time.

#### LOCKERS FOR STUDENTS

You will be assigned a hall locker for books, backpacks, book bags, and outerwear. Book bags, backpacks, hats and outerwear must fit completely in your locker and remain in your locker during the school day. Lockers are to be kept clean and neat. You are not allowed to have opened beverage containers of any kind, including bottled water containers, in your locker. You are not to use another student's locker. You are responsible for the security of your own possessions and books. Do not leave valuables in your locker. The best policy is to leave valuables at home. The school is not responsible for lost or stolen items. A school issued combination lock is available and may be requested by notifying the main office. Physical education lockers are available. Students are permitted to buy a lock for the locker, giving a key or combination to the physical education teacher. As school property, lockers are not to be defaced or altered in any way. Any damage should be reported to the office immediately.

## LOCKER/VEHICLE SEARCH AND SEIZURE

Student lockers are school district property. Lockers may not be used to store anything that is prohibited by law or school district policies. Lockers may be searched at any time in order to determine if they contain anything prohibited by law or school district policy. Students may be notified and given an opportunity to be present during a locker search. Student vehicles parked on school property are also subject to search. An administrator may seize any evidence indicating that a student is violating or has violated the law or a school rule, that the administrator may find as a result of a search of a student's property, clothed body, or areas designated for a student's use if the search is proper and reasonable.

A student who refuses the request for a search by an administrator that is proper and reasonable may be disciplined under the district's discipline policy. Action may include suspension or referral to the board for an expulsion hearing. The Board reserves the right to authorize its employees to inspect a student's locker and/or district property at any time, based on reasonable suspicion, for the purpose of determining whether the locker is being used improperly for the storage of contraband, a substance or object the possession of which is illegal, or any material that poses a hazard to the safety and order of the schools in accordance with school board policy 226. Searches conducted by the administration may include but are not limited to utilization of certified drug dogs, metal detection units, or any device used to protect the health, safety, and welfare of the school population.

## STUDENT APPAREL

Since attitude, actions and dress are closely related, it is necessary that dress guidelines be established for school attendance. You are expected to be mature enough to exercise good judgment in the selection of appropriate clothing for school. Extremes in fashion should be avoided for classroom wear. You should present a neat, attractive appearance at all times. Any form of dress detrimental to the health, safety, or welfare of any student will not be permitted, nor will dress which may be disruptive to the educational process. Some examples of inappropriate attire are defined below:

- 1. Students will be permitted to wear hats while in the hallways and cafeteria. The wearing of hats in individual classrooms will be at the discretion of the individual classroom teacher. Administration reserves the right to ask a student to remove their hat and/or place them on hat suspension.
- 2. Clothing may not depict, imply, advertise, or advocate illegal, violent, or lewd conduct, weapons, or the use of alcohol, tobacco, marijuana, or other controlled substances.
- 3. Headwear, including hoods and bandanas, sunglasses, headbands, skate shoes, chains, heavy/multiple chains, chain wallets and all spiked jewelry are not permitted.
- 4. Due to safety factors, students may not participate in shop classes while wearing open-toe footwear.

- 5. Halters, tube tops, net shirts, open-cut muscle shirts, bare midriffs, or off-the shoulder tops are not permitted. Sleeveless tops and tank tops are permitted as long as they do not have spaghetti straps or reveal any undergarments. Male students are not permitted to wear the white undershirt tank tops. Modesty must be maintained.
- 6. Because it is hazardous and fails to assure adequate modesty, the wearing of oversized clothing that fits improperly is not permitted. All jeans and slacks must be properly fitting and intact. Pants must be worn at the waist and are not to have oversized bell bottoms. Low rise jeans or slacks that compromise modesty should not be worn.
- 7. No spandex, stretch material, bike pants, or excessively tight-fitting shorts will be permitted as outerwear. If shorts are worn over spandex biker pants <u>or</u> alone, they must be fingertip length. Skirts or dresses must also be fingertip length.
- 8. Suggestive clothing is not appropriate for an educational setting and is forbidden. Female students should not wear clothing that overly exposes cleavage.
- 9. Hats, trench coats, jackets, or garments designed for protection from outside weather shall not be worn in the building under ordinary circumstances, (including nylon jackets). They must be stored in your locker during the day.
- 10. Students wearing jeans or shorts with holes in them may be required to wear a spandex short or legging under the clothing.
- 11. Pajamas and blankets shall not be worn as attire unless explicitly permitted by administration and/or staff.
- 12. No costumes of any kind should be worn, unless directed by the school as permissible.
- 13. Violators will be subject to the disciplinary code. You may be sent home to change clothing or remain in the office until parents or guardians bring in appropriate change of clothes if you violate the dress code.

## PARKING

There are three parking areas on the high school grounds. Area number one-beyond the flag pole-is reserved for school employees and others visiting the office who wish to park for a short time. Area number two-outside the entrance to the auditorium-is for student parking and for school employees. Area number three-in the rear of the building-is for staff members and student parking. You are permitted to park your vehicles in the auditorium lot (area number two) and the parking section of the area at the back of the building (area number three). Teachers parking area in the rear parking lot is the curb lane. Parking must be between the painted lines. You should familiarize yourself with appropriate parking during good weather to ensure you park properly when lines may be snow covered.

## **DIRECTORY INFORMATION**

The district Superintendent or his/her designee can distribute Directory Information. Directory information includes a student's name, address, date and place of birth, telephone number, sex, date of entry and date of withdrawal from school, major field of study, academic grades and class rank, attendance record, standardized achievement test scores, participation in recognized activities and sports, weight and height of members of athletic teams, awards received; names, addresses, and telephone numbers of parents or guardians. Students may be recognized for their accomplishments, including photographs, on the District Website at www.brockway.k12.pa.us.

The parent or eligible student has the right to refuse the disclosure of any or all types of directory information by giving the school written notice by **Tuesday, September 3, 2024**. The Family Educational Rights and Privacy Act (FERPA) and Pennsylvania law afford parents/guardians and students eighteen (18) years of age and over (eligible students) certain rights with respect to the student's educational records. A copy is available in the main office for review.

# PROHIBITED ACTS & ITEMS

## CONTRABAND

Objects that are not permitted in school are considered contraband. School personnel may confiscate such items. The principal will decide if confiscated items will be returned. The administration may require confiscated contraband to be claimed by a parent. Cell phones, beepers, pagers and other electronic devices become contraband when used during the regular school day. You are not permitted to have pocket knives in your possession nor any other object that might be considered a dangerous weapon. Bringing weapons, illegal drugs, alcohol, or tobacco products is a Level III violation referral and/or an expulsion

recommendation. Bringing items into the school not usually found within a school must have prior administrative approval.

## **DRUGS AND ALCOHOL**

Students should be aware that the possession or usage of drugs, alcohol, or controlled substances is absolutely forbidden. Drug paraphernalia and look-alikes are also prohibited. Included in this area are inhalants such as whiteout, markers, paints or any aerosols.

#### Third Offense:

The student will receive a two (2) day out-of-school suspension; the school district will initiate prosecution

The possession of weapons on school premises is a serious violation and will result in severe disciplinary action. "Weapon" shall include, but not be limited to, any knife, cutting instrument, cutting tool, nunchaku, firearm, explosive weapon, or any instrument represented as such. For purposes of this policy, school premises shall mean the school grounds, school buses, or any premises, grounds, or vehicles used for official school purposes. Students with knowledge of a violation should report it to the office immediately.

#### **DELIVERIES**

You are not permitted to have food, flowers, balloons, etc. delivered at school. The main office will not accept any of these deliveries. The vendor will not be permitted to leave them at the main office.

The term **harassment** includes but is not limited to slurs, jokes, or other verbal, graphic or physical conduct relating to an individual's race, color, religion, ancestry, sex, national origin, age or handicap/disability. You are responsible to respect the rights of your fellow students and to ensure an atmosphere free from all forms of unlawful harassment. Report harassment complaints to principals, teachers, counselors, the nurse, and/or the school psychologist.

#### **BULLYING POLICY**

The district defines bullying as an intentional electronic, written, verbal or physical act or series of acts directed at another student or students, which occurs in a school setting and/or outside a school setting that is severe, persistent or pervasive and has the effect of doing any of the following: Substantial interference with a student's education, creation of a threatening environment, or substantial disruption of the orderly operation of the school. Bullying as defined in the policy includes Cyberbullying. (See Board Policy #249). A <u>Bullying Report Form</u> must be completed by any student reporting any type of bullying behavior. The administration will investigate the report upon receipt of the reporting form and determine appropriate action based on their findings.

## **TERRORISTIC THREATS/ACTS**

Terroristic threat is defined as a threat to commit violence communicated with the intent to terrorize another, to cause evacuation of a building, or to cause serious public inconvenience, in reckless disregard of the risk of causing such terror or inconvenience. A Terrorist act is defined as an offense against property or involving danger to another person. You are prohibited from communicating terroristic threats or committing terrorist acts directed at any student, employee, board member, community member, or school building. # **DISCIPLINE**

## **DISCIPLINARY PROCEDURES**

Referral of a student to the principal's office is used as a last resort after teachers have exhausted all other appropriate preventive and corrective measures. If you are sent to the principal's office, the seriousness of the case will speak for itself. The case will be dealt with as rapidly, firmly, and as fairly as possible. In most instances, your parents will be contacted. The final decision as to appropriate response to a discipline problem rests with the principal.

# DISMISSAL FROM CLASS

If you are dismissed from class because of misbehavior, <u>report directly</u> and AT ONCE to the principal's office. Failure to do so will be considered a violation of school policy.

## **DETENTION PROCEDURES**

- After School Detention will be scheduled for either one hour or two hours on Mondays, Tuesdays, Wednesdays, and Thursdays.
- It is the responsibility of the student to attend assigned detentions.
- Students must report to After-School Detention by 3:10. Students will not be dismissed until after their detention time has been completed.
- The time and location of the detention will be assigned by administration. Students assigned detention will be given a 24-hour notice as they must arrange THEIR OWN TRANSPORTATION HOME.
- Students must report to detention on time. Students who arrive late may remain at detention until their ride arrives but will not be credited with serving detention. This may be treated as a Failure to Serve Detention situation.
- Students will report to detention with texts and materials sufficient for continued use during their period of detention. Teachers will have the authority to assign alternative work.
- Detention is to be used as educational study time.
- Talking, sleeping, reading magazines, eating, drinking, or other nonproductive use of time is not permitted.
- Disruptive or uncooperative behavior may result in the assignment of additional detention or suspension.
- Phones and other electronic devices will be placed upon the teacher's desk or designated area.

- If the student is absent or not in school for any reason the day of the assigned detention, the student will <u>automatically be rescheduled</u> for the next available detention date without additional notice.
- Because of weather or other reasons, a principal may postpone detention. If detention is postponed, students will automatically be rescheduled for the next detention date unless notified otherwise.
- Morning detention may be assigned in lieu of after-school detention. It is the sole discretion of the administration.

# FAILURE TO SERVE DETENTION POLICY

- Suspension of all extracurricular privileges until both the suspension and the detention(s) are served
- Parent conference

# **TYPES OF DISCIPLINARY RESPONSES**

- Verbal or written reprimand will be an appropriate approach for some violations. If so, it will come from the teacher or, if deemed necessary, from the principal.
- A parent/guardian conference may be required for some violations. This may involve the student, the teacher, the principal, and the parents/guardians as requested. The time and notification of the conference will be established by the principal.
- Exclusion from extra-curricular activities may be enforced as a result of student misconduct at such events.
- Temporary removal from class or in school suspension may be necessary when behavior is disrupting the learning environment for others.
- Suspension may be warranted for some violations. This punishment can be recommended by the teacher. Suspension will be implemented by the administration. Parents will be contacted and notified of the violation and the length of suspension. A copy of the discipline referral will be sent to the parents along with any readmission procedures that must be followed. Suspensions may be internal suspension (student reports to school) or external suspension (student is not permitted in school). Any student expelled or serving an out of school suspension may not attend any school sponsored activity or be on school grounds during the time of suspension.
- When a student accumulates five (5) days of in school/out of school suspension, a pre-expulsion conference will be held with the Principal, School Counselors, student, and the parent/guardian. At this meeting the parent/guardian will be informed that on the ninth (9<sup>th</sup>) day of suspension, the student will be referred to the superintendent for possible expulsion.
- At the five-day suspension conference, the student is also told that for every 20 school days that pass without a written discipline referral to the office, one (1) suspension day is removed from his discipline record.
- Expulsion may be necessary for the safety or welfare of the school and student body. Regulations of the State Board of Education of Pennsylvania Chapter 12 Students Rights and Responsibilities will govern all expulsions.

# SCHOOL CODE

# STUDENT RIGHTS

(a) All persons residing in this Commonwealth between the ages of six and twenty-one years are entitled to a free and full education in the Commonwealth's public schools.

(b) Parents or guardians of all children between the ages of six and eighteen are required by the compulsory attendance law to ensure that their children attend an approved educational institution, unless legally excused. Students who have not graduated may not be asked to leave school merely because they have reached 18 years of age if they are fulfilling their responsibilities as students. A student may not be excluded from the public schools or from extracurricular activities because:

- The student is married.
- The student is pregnant.
- The student has a disability as identified by Chapter 15 (relating to Protected handicapped students).
- The student is an eligible student identified under Chapter 14 (relating to special education services and programs).

# STUDENT RESPONSIBILITIES

- Student responsibilities include regular school attendance, conscientious effort in classroom work and homework, and conformance to school rules and regulations. Most of all, students are responsible to share with the administration and faculty a responsibility to develop a climate within the school that is conducive to wholesome learning and living.
- No student has the right to interfere with the education of his fellow students. It is the responsibility of each student to respect the rights of teachers, students, administrators and all others who are involved in the educational process.

- Students should express their ideas and opinions in a respectful manner.
- It is the responsibility of the students to conform to the following:
- Be aware of all rules and regulations for student behavior and conduct themselves in accordance with them. Students should assume that, until a rule is waived, altered, or repealed in writing, it is in effect.
- Volunteer information in matters relating to the health, safety and welfare of the school community and the protection of school property.
- Dress and groom to meet standards of safety and health, and not to cause substantial disruption to the educational processes.
- Assist the school staff in operating a safe school for the students enrolled therein.
- Comply with commonwealth and local laws.
- Exercise proper care when using public facilities and equipment.
- Attend school daily and be on time at all classes and other school functions.
- Make up work when absent from school.
- Pursue and attempt to complete satisfactorily the courses of study prescribed by local school authorities.
- Report accurately in student media.
- **Do not** use obscene language in student media or on school premises.

## SCHOOL RULES

- The governing board has the authority to make reasonable and necessary rules governing the conduct of students in school. The rule-making power, however, is not unlimited; it must operate within statutory and constitutional restraints. A governing board has only those powers that enumerated in the statutes of the Commonwealth, or that may reasonably be implied or necessary for the orderly operation of the school.
- Governing boards may not make rules which are arbitrary, capricious, discriminatory or outside their grant of authority from the General Assembly. A rule is generally considered reasonable if it uses a rational means of accomplishing some legitimate school purpose.
- Each governing board shall adopt a code of student conduct that includes policies governing student discipline and a listing of students' rights and responsibilities. The conduct code is stated below for review by students, parents, and guardians.

## **CODE OF CONDUCT**

The Brockway Jr/Sr High School believes that good conduct is closely related to a positive environment for learning and an effective instructional program. It is expected that students follow the rules and regulations governing student conduct in school and during the time spent in travel to and from school.

Such rules shall require that students:

- Conform to reasonable standards of socially acceptable behavior.
- Respect the rights, person, and property of others.
- Preserve the degree of order necessary to the educational program in which they are engaged.
- Respond positively and promptly to those adults charged with the responsibility of monitoring student behavior.

To ensure a safe learning environment, students are expected to have appropriate behavior, attendance, and a willingness to contribute to overall school safety; **"If you see something, say something."** 

Detentions, suspensions, and possible expulsion from school could result when students are guilty of infractions. <u>Participation in any</u> school function or activity including athletics is prohibited for the <u>duration of the suspension and could result in exclusion from</u> extracurricular activities for part or all of the school year.

Student participation in athletics, extra-curricular activities, and co-curricular activities is a privilege. The student's participation in these activities and the reputation of the school are dependent, in part, on the student's conduct as an individual.

# DISCRIMINATION

Consistent with the Pennsylvania Human Relations Act (43 P.S. 951-963), a student may not be denied access to a free and full public education, nor may a student be subject to disciplinary action on account of race, sex, color, religion, sexual orientation, national origin or disability.
